Refunds for group/camp lessons

- Classes are kept small to provide students with plenty of attention. When you sign up for a class we give that spot for you and often turn other families away. Our teachers have spent time to prepare materials for your child. Because of this we cannot offer a refund unless a two-week notification before the first class is given.
- A full refund is given if a request is received at least 14 days prior to the first class \$10 cancellation fee. A refund is given up to the end of the second lesson with a \$20 cancellation fee.
